

Information Update

Term 4 Week 9

13 December 2018

END OF YEAR CONCERT - RESCHEDULED

Tuesday 18 December 9:30am – 11am

As notified via a Community email on Tuesday, our Concert, which was to be held today has been re-scheduled to Tuesday 18 December 9.30-11am, due to the inclement weather. Unfortunately, it is not possible to reschedule an Evening Performance. We know this is disappointing for some families. The weather has sadly played havoc with our plans this year!

Arrangements for Tuesday 18 December Matinee Performance is as follows:

Concert Performance: 9:30am – 11am

(Thurs/Fri Preschool children are warmly invited to participate. The children stay with their adult until called to the stage at the beginning of the Concert)

Picnic Morning Tea: 11.15am – 11.45am (bring a picnic rug!)

The P&C has kindly offered to provide a BBQ for morning tea. The price list is below. If children wish to purchase for the BBQ, they are asked to bring their money in a 'zip lock' bag with their name clearly marked.

Sausage Sizzle	\$2.50
Cupcakes	\$2.50
Cookies	\$2.00
Icy Poles	\$1.00
Chupa Chups	\$0.50
Drinks	\$1.50

(Juice box, flavoured milk, water)

Dates to remember

DECEMBER

14/12	Reports and Portfolios go home
18/12	End of Year Concert Matinee Performance 9.30-11am
20/12	Yr 6 Graduation Ceremony

Construction Update

Tomorrow, Friday 14 December, we are expecting the first part of the delivery of our new building to be installed on Dyulang. We anticipate that a large number of semi-trailers will enter at the Burnum Burnum Close end of the school. The second part of the delivery is expected on Wednesday 19 December.

Community members may wish to avoid the area to limit traffic congestion. We ask that children and families who are walking or cycling to school use entry points off Mabo Blvd and William Cooper Avenue both in the morning and afternoon of Friday 14 December and Wednesday 19 December. If the arrangements for delivery of our buildings change due to the weather, we will let you know.

Dear Neighbour,

I've pledged to help the Leukemia Foundation fund urgently needed medical research, to help more people survive and ultimately beat leukemia, myeloma, lymphoma and other blood disorders.

There will be a special coordinated lights & lanterns display theme of the three primary Light the Night colours – Blue, White & Gold.

Event Details – SATURDAY 15TH DECEMBER 2018 AT 7:30PM

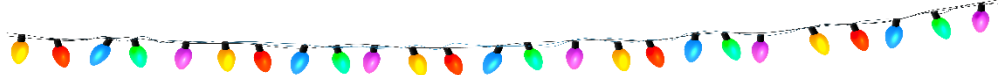

LOCATION: FRONT OF 7 PEPPER STREET BONNER

A gold coin donation is requested on the night. Small giveaways will be given to those that visit the installation. Other ways to support me are through donations of raffle prizes towards my Christmas installation.

My family has been affected by blood cancer, and I would like to raise awareness and funds for the Leukemia Foundation to help fund their research as well as in memory of my loved ones.

We have heard there will also be a special visit from Mrs Clause. We hope to see you here, for more information you can call me on 0432 431 485.

Regards,
Nicole and Adam

DON'T FORGET YOUR HAT

All children **must have their sun hats at school**. Hats must be worn every play break and for outside learning. Please ensure your children's hats are clearly labelled with their names.

Canteen

Our canteen is open as normal until the end of the year (Mon, Wed, Thu and Fri for lunch, Mon and Fri for over the counter sales). And, we have big news... from day one of 2019, we will be open **EVERYDAY** for lunch! That's right, next year you can order your lunch five days a week! How exciting! Orders can be placed via Flexischools from day one (just make sure you have your child's year selected) or via cash to the canteen, prior to gam.

Second Hand Uniforms

We will be doing a second hand uniform collection during Week 10. A tub will be available outside the canteen each day for drop off, and Andrew will be outside near the front office on Tuesday the 18th and Friday the 21st of December from 8.30-9.30am to collect. Please make sure you are only donating school uniforms of a good, used quality. If you are leaving the school, or have simply grown out of things, we'd love to take them off your hands!

Active Streets expands to support more schools

The Active Streets for Schools program is expanding to include an additional 52 schools over the next four years.

Suzanne Orr MLA, representing the Minister for Transport Meegan Fitzharris and Minister for Education and Early Childhood Development Yvette Berry, announced that our school is one of the schools that will benefit from the program.

Active Streets is an infrastructure and education program for schools. The program improves infrastructure around schools to support walking or riding to school. Improvements include new or upgraded footpaths, better crossing facilities and traffic calming measures.

To support the infrastructure, educational resources are provided to students, including a map highlighting safe routes to school.

Transport Canberra and City Services will work closely with the school community from the beginning of 2019 to deliver the program and identify potential infrastructure improvements you would like around the school.

More information is available on the [Transport Canberra](#) website.
