

Continuing our learning at home

In the grid below, you will find some learning activities that are linked to our current learning. You can choose to complete any or all of the activities. Soon, you will be able to access more online learning opportunities through the ACT Education Directorate's online learning resource library. Our school subscriptions to Reading Eggs, Mathletics, Soundwaves (spelling) and Google Apps for Education are also available.

We will be sending you all more information in the coming days.

Kind regards from all the Neville Bonner Primary School Staff

<p>Reading Everyday Read a book of your choice for 15 minutes. Remember that you can read with an adult, a toy, a pet or someone over the phone or video-call.</p> 	<p>UNIT OF INQUIRY- 'This is US' Create a family portrait. Don't forget to include any pets! (Try to write the names of each member of your family)</p> 	<p>Dance Play your favourite song and design a dance routine. Practise this and then perform it for a family member.</p> 	<p>Neville Bonner's Birthday To celebrate Neville Bonner's birthday on 28th March, design a birthday card. You may like to include a palm tree as he was born on Ukerebagh Island under a palm tree.</p> 
<p>Word Work Find words you know in the environment, e.g. on cereal packets or in newspapers, and make these words using items such as play dough, blocks, sticks or rocks.</p> 	<p>Writing If you create a drawing or painting, try practising writing your name on the back.</p> 	<p>Connecting and contributing to your world Work with a member of your family to choose or invent a recipe to cook together.</p>	<p>Ripple Kindness Think about how you feel when people are kind to you. Choose something kind each day that you can do to help your family.</p> 
<p>Active Time / Physical Education Create a circuit of 4 different exercises (eg. star jumps, step ups, running on the spot and frog jumps). Do each exercise for 2 minutes each- challenge someone in your family to do it with you!</p>	<p>Outdoor Exploration Take a piece of paper and some pencils outside and find an object to draw. Try drawing different objects, or the same object, at different angles and times of the day to compare.</p>	<p>Art Choose something that makes you happy and recreate the item using materials from home such as pencils, paper, glue, paint or chalk.</p> 	<p>Mathematics Sort out a collection of items in your house. For example, can you match your socks with their pair, or sort the cutlery into the drawer.</p>
