

## Continuing our learning at home

In the grid below, you will find some learning activities that are linked to our current learning. You can choose to complete any or all of the activities. Soon, you will be able to access more online learning opportunities through the ACT Education Directorate's online learning resource library. Our school subscriptions to Reading Eggs, Mathletics, Soundwaves (spelling) and Google Apps for Education are also available.

We will be sending you all more information in the coming days.

Kind regards from all the Neville Bonner Primary School Staff

<p><b>Reading Everyday</b> Read a book of your choice for 15 minutes. Remember that you can read aloud to an adult, a toy, a pet or someone over the phone or video-call.</p> 	<p><b>Mathematics</b> Measure a running track in the backyard. Count how many seconds it takes from start to finish. Challenge a family member and compare if they are faster or slower than you.</p>	<p><b>Dance</b> Play your favourite song and design a dance routine. Practise this and then perform it for a family member.</p> 	<p><b>Mathematics</b> Use items from your pantry to create a pretend shop. Make price tags for each item. Select a number of items and add the prices together to work out the total cost of your shopping.</p>				
<p><b>Active Time / Physical Education</b> Create a Treasure Hunt for your family. Hide things around your house, then write clues or draw a map to help them search.</p>	<p><b>Writing</b> Write for 15 minutes each day, some ideas could be:</p> <ul style="list-style-type: none"> <li>• Write an alternate ending to your favourite book</li> <li>• Keep a journal</li> <li>• Describe your favourite toy</li> <li>• A letter to someone you know</li> </ul> 	<p><b>Art</b> Discuss colours we see outside in Autumn. Go for a walk or look in your backyard for different coloured leaves to collect. Create an artwork using the leaves.</p>	<p><b>Writing</b> Write a word that starts with every letter of the alphabet. E.g. A- Autumn B- bananas</p>				
<p><b>Active Time / Physical Education</b> Create a circuit of 4 different exercises (eg. star jumps, step ups, running on the spot and frog jumps). Do each exercise for 2 minutes each- challenge someone in your family to do it with you!</p>	<p><b>Writing</b> Make a T chart. Create a list of opposites on the T chart, eg. big/small, happy/sad.</p> <table border="1" data-bbox="629 1334 1111 1441"> <tbody> <tr> <td>big</td> <td>small</td> </tr> <tr> <td>yes</td> <td>no</td> </tr> </tbody> </table>	big	small	yes	no	<p><b>Neville Bonner's Birthday</b> To celebrate Neville Bonner's birthday on 28<sup>th</sup> March, design a birthday card. You may like to include a palm tree as he was born on Ukerebagh Island under a palm tree.</p> 	<p><b>Mathematics</b> Using the numbers found on a device in the house (e.g. tv remote, microwave, clock), create number problems to solve using operations you know (eg +, -, ÷ and x).</p>
big	small						
yes	no
