ATHLETICS CARNIVAL

FRIDAY 22 JUNE

Keep an eye out for the note, which your child received today.

Neville Bonner Market and Book Fair

THIS SATURDAY from 11am to 3pm! Rain, hail or shine, we will still be going ahead so make sure to stop by for some great activities! Head to our Facebook page at <https://www.facebook.com/NBPS.PandC/> for event details!

Next Meeting Our next P&C General Meeting will be held on Thursday, 21 June at 7pm in the staff lounge.

Entertainment Books Get your 18/19 version now! To purchase, go to <https://www.entertainmentbook.com.au/orderbooks/278711> or contact Nat via our email (nevillebonnerps.pandc@gmail.com). If you would like to order a hard copy book, please select pick up and it will be delivered to the school office for you to collect. Ask your family and friends to support us as well!

Canteen Our school canteen is open Monday, Wednesday, Thursday and Friday for lunch, as well as Monday and Friday afternoons for over the counter sales. All orders are due either direct to the canteen (cash only) or via Flexischools by gam on the morning required. No cancellations after this time. A reminder that Preschoolers can order! Their lunches will be delivered to their classroom by the canteen staff! We have a great variety of food available, including GF, DF, vegetarian and halal options. Check out our menu on Facebook or at the canteen. If you'd like to volunteer to help, even just once a term, please let us know!

Thursday meal deal: 4 chicken nuggets, a fruit cup and 2 pikelets for \$6.00!

Monday meal deal: Mac and cheese, drink and a cookie for \$6.00! (GF option available!)

Light Rail Information

Light rail is fast approaching with testing of the system now happening!

Prior to welcoming passengers on board, the light rail system undergoes a rigorous testing and commissioning process. This important phase of the project ensures the light rail is fully functional and safe to carry passengers.

A key step in this next phase of the project, is the powering up of the light rail's overhead wires with electricity. This is called energisation. After the overhead wires are energised, light rail vehicles (LRVs) will commence testing on the tracks. Testing will happen in sections along the light rail alignment,

starting towards the Gungahlin end of the line, **between Mitchell and Gungahlin Place**. Light rail vehicle testing will initially be carried out at night at slow speeds. Over time testing will also take place during the day and speeds will gradually be increased.

During testing, no passengers will be on board the light rail vehicles.

Stay safe! During the testing period, never attempt to access the light rail corridor and always cross rail tracks at designated pedestrian crossings and intersections. Although the overhead wires are more than 6 metres above the rail track, the wires are LIVE. Always keep a safe distance and never come into contact with the wire.

New signage and extra traffic controls will be in place along the light rail corridor during testing. Please obey all signs and road rules. The Light Rail Safety [video](#) has tips to help everyone stay safe in the light rail environment.

Religious Education

Under the Education Act 2004, Section 29 (1), if the parents of children at a government school ask the Principal for their children to receive religious education in a particular religion, the Principal must ensure that reasonable time is allowed for their children's education in that religion.

As such a request has been received at our school for Christian Education, The Combined Gungahlin Churches will deliver a Christian education session (no more than forty minutes – as per the Education Act) on Wednesday 20 June. This is suitable for children in the Kindergarten to Year 6 age range. If you wish your child to participate in this session, please complete a permission form which is available from Reception. For organisational reasons, the permission note must be returned to *Reception no later than 9.15am Tuesday 19 June, 2018*.
