

REMINDER SWIMMING CARNIVAL MONDAY 18 FEBRUARY

The swimming carnival notes are **now due!**

If you have not handed your notes in, please ensure you do so, to Reception, by **9:15am FRIDAY 15 FEBRUARY.**

Monday is 'School at the Pool'. Preschool will not be attending the Carnival, but all other Learning Groups will be having 'School at the Pool'!

Dear Parent and Carers

Thank you to all those who attended the Information Evening on Tuesday this week! Our new format provided greater opportunities for parents/carers to interact with staff and seek information about learning that was relevant to their interests. We received very positive comments from families about the style of the evening!

We would appreciate your feedback on the Information Evening so that we can continue to improve this service to you. Follow this link to our survey!

Learning Group Names

Each year, the children work with their teachers to research a name for their Learning Group based on the overarching school theme. Our school generally uses the United Nations International Years as a guide for themes. In 2019, one of the UN themes is International Year of the Periodic Table. In keeping with the promotion of STEM (Science Technology Engineering Maths) in education, each of our Learning Groups are currently engaged in research and debate to determine their name and identity for the year. I am amazed at the discussion and learning that this research has generated amongst the children. Preschool conversations are stunning! The BIG REVEAL will appear in next week's Newsletter!

Wheels at School

It is heartening to see so many children riding or scooting to school (and plenty walking for exercise as well!). We would greatly appreciate your assistance in reminding the children that when they arrive at the school grounds, they need to **dismount and walk** their bikes or scooters immediately to the bike rack (either at the front or rear of the school). The children are unable to ride their bikes/scooters across the school yard as this poses a safety risk to those in the area. Do ensure your child has a well fitting helmet.

Parking

Please be aware that parking infringement officers and police frequently visit the school at drop-off and pick-up times. Recently some hefty fines have been received as a result of parking on the grass! Parking your car legally and walking just a little further could save you a large amount of money!

It is important to remember that when entering the carpark to drop-off or pick-up children, you need to park in a designated parking space before your children get into the car.

Adhering to respectful practice in the carpark areas benefits everyone.

Buildings

Next week, we are looking forward to taking up occupation of the top floor of our new building. Two Year 4/3 Learning Groups, who have been temporarily located in the library, will make the historic move! This move will coincide with the delivery of beautiful new furniture designed for flexible learning opportunities in our new area. We will shortly open an additional 'sick bay' facility on Duylang to reduce the distance for the children to access care when they are feeling unwell. This additional sick bay will be located in the Yu-yu building and will be known as Yu-yu sick bay.

Getting To Know You Yarns

Getting To Know You Yarns begin next week. Today, your child will bring home the instructions for making an on-line appointment. Our goal is that 100% of families will participate in this important opportunity to share thoughts and aspirations for children's learning in 2019. Please contact your child's teacher or Reception if you experience any difficulties with making an appointment. Do remember that these Yarns are for the specific purpose of parents/carers sharing information with teachers. Each Yarn is ten minutes. **Teachers will be 'listeners'**. If you would like to make an appointment to discuss other aspects of your child's learning, let the teacher know and she/he will contact you at a later time to make a longer appointment.

Elsewhere in today's Newsletter is a full staff list for your interest and information.

Don't forget the Multicultural Festival in Civic this weekend! Have a restful weekend.

WODEN VALLEY YOUTH CHOIR

Woden Valley Youth Choir has provided a music education to hundreds of ACT and Queanbeyan schoolchildren for 50 years, since February 1969. WVYC offers a dynamic choral programme for young people aged 8 to 21 and we are proud to provide so many positive benefits to our members: the value of learning to sing with confidence, positive self-esteem, and performance skills, which will hold them in good stead for the rest of their lives. WVYC is a not-for-profit community choir with a strong music education programme and one of our staff has just received accreditation for the Australian Kodály Certificate. We don't just sing – we become musicians.

AUDITIONS

Auditions for young people from year 3 to university age wishing to join the choir in 2019 will be held on Saturday 23 February. We have a small number of vacancies in our two primary aged choirs and about a dozen places in our high school/university age treble voice choir and our new choir "Centauri Voices" for young men with changing/changed voices. For more information please go to <http://wvyc.org.au> and download an application form or email info.wvyc@gmail.com or phone 1300 599 655
