Information Update
Term 3 Week 3

School Photos

We are excited to announce that we will be having our school photos during week 3 and 4 this term! Due to the COVID-19 pandemic, we have necessarily made some changes to the processes we have used in the past. This year, the photographers will be focussed on the children's Learning Group and portrait photos. Unfortunately, we have made the decision not to do sibling photos in 2020

All orders will be made online through the ordering system through the School Photographer's website. All children will have a Learning Group and individual portrait taken on their photo day, which will be used if you choose to make a purchase online. This system will remain open after the photos have been taken, and orders can be made until **Friday, September 4th, 2020**. If you need any assistance with making an online order, or need to discuss alternatives to online payments, please contact Reception on (02) 6142 1201.

Please save these dates:

Thursday 13th of August – Junior and Senior Band, Year 6 Graduation Photo

Friday 14th of August – Kindergarten groups and Year 1 & 2

Three Way Yarns

This year our Three Way Yarns will be a little different! We will be hosting Virtual Yarns, via Google Meets. If you are unable to utilize Google Meets, we will be able to meet via phone. Next Tuesday, you will receive a separate note advising of the details. Three Way Yarn bookings will be available between Monday 17 and Friday 28 August. Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Under the *Disability Discrimination Act 1992* (DDA) and the *Disability Standards for Education 2005* (the Standards), Australian students with disability must be able to access and participate in education on the same basis as their peers.

To ensure this, students with disability may receive adjustments to access education, based on the professional judgement of teachers, in consultation with the student and/or their parents, guardians or carers.

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) gives Australian schools, parents, guardians and carers, education authorities and the community information about the number of students with disability in schools and the adjustments they receive. The Australian Education Regulation 2013 requires all schools to report the data collected for the NCCD to the Australian Government on an annual basis in Term 3.

For more information, please see the attached infographic or contact Reception on 6142 1201.
