## 2017 School Satisfaction Survey

The 2017 School Satisfaction Survey for Parents and Carers is now open. Parents and carers, school staff and students (in years 5 to 12) have been asked to participate in these important surveys. The survey results will contribute to the school improvement process, which aims to achieve high standards in student learning, innovation and best practice in Canberra public schools. If you have not already completed the survey, please complete the survey by **Monday 28 August 2017**. A letter about the parent and carer survey was emailed to parents and carers on Tuesday 15 August 2017. If you do not have a letter for each child in your family, please contact Reception. The letter contains all the information you will need to access the survey. The key ACT results from the 2016 School Satisfaction Surveys have been published on the Education Directorate website ([www.education.act.gov.au](http://www.education.act.gov.au)) and a summary of our school results is provided in our 2016 School Board Report. Thank you in anticipation of your participation in this important school survey.

### Back again! – Woolworths Earn and Learn

Thank you for your support on the Woolworths Earn and Learn program. For every \$10 spent at Woolworths a sticker can be collected. Boxes for the sticker sheets can be found at the front office and Woolworths Bonner. Every sticker counts to some great resources for our school.

### Everyone can think like a scientist, observing, questioning and finding solutions.

This week is Science Week and the topic 'Our Future Earth' has directed our focus for inquiry for 2017. Every Learning Group has been discussing a daily question to build on their knowledge of different aspects of our lives that we can improve to make the world a healthier place, now and in the future. Please use the following question to generate discussion with your child.

'What is the one thing you would do to change the world to make it more sustainable?'

### Head Lice Alert

There have been a few cases of head lice found in our School Community. Would you please check your child's hair for lice and nits and take the appropriate action if necessary as these spread very quickly in the school environment.
