Do you need to collect your child early?

On occasions, parent/carers need to collect their children early in the day, prior to 3pm pick up.

Our Reception staff would greatly appreciate your assistance in writing a note to the Learning Group teacher to let the teacher know in advance of the early pick up (including time). Without advance notice it takes quite some time to locate your child in our large school and have them delivered to Reception.

Of course, in case of emergencies and unforeseen circumstances we will always assist, however if you do know in advance (eg the day before, on the morning of the early pick up) it would be a great help if you could write a quick note to the teacher indicating the early pick up time.
